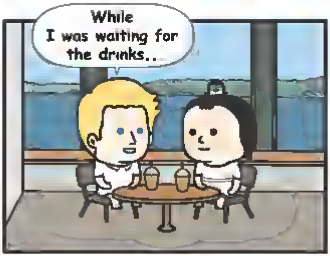
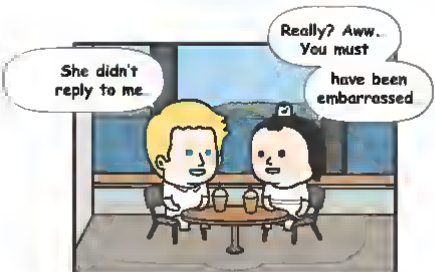
No Regrets

Like I said before...



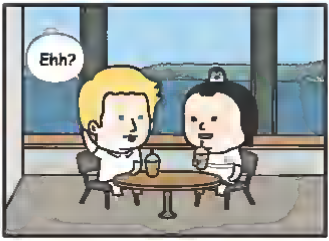
Mev wanted to speak Korean
many times in Turkey.

Yeah?
Hehe What did she say?

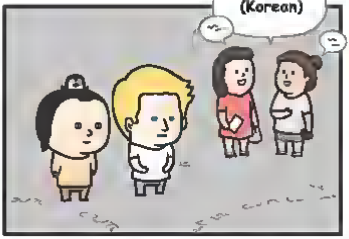


Yech

Maybe, she thought you were flirting. You saw what Turkish guys were like.

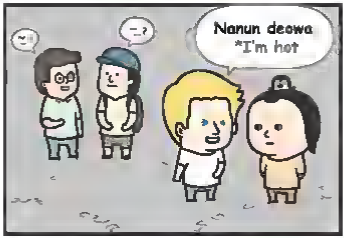


Since this happened...



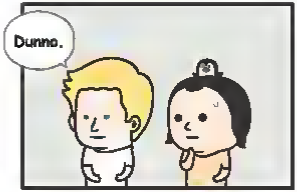
...Mev stopped trying to speak in Korean in front of Korean people.

However

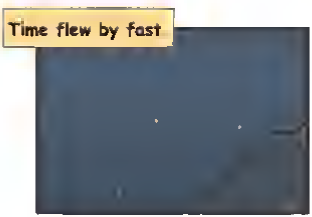


Nanun deowa
*I'm hot

Why did you speak
Koreon in front of those
Chinese people?



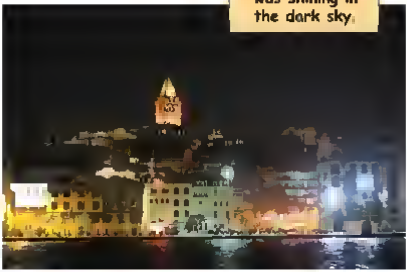
He sometimes couldn't help himself from expressing his desire.



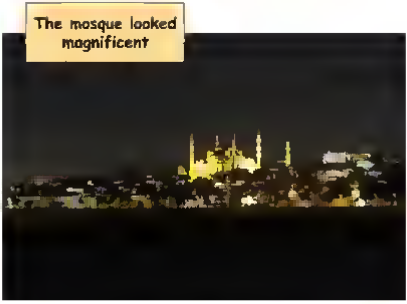
Finally, there was only one day left till we were to leave Turkey.

We felt sad that the night was passing by.

We decided to walk back to our flat on foot.

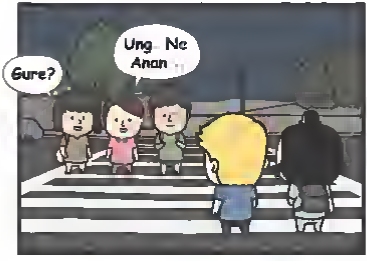


Galata tower was shining in the dark sky.



And the street was still filled with many people.

We thought this holiday would stay for long time in our memory.



*Yeah?
*Yeah. The girl who I know...

While we crossed the road talking...

Korean...

Ddong nuga shipeyo!!!
* I want to poo!!!

Mev didn't leave
any regrets indeed.
